Recent Work ROCHA Brasil

2011

Designed and developed mascot illustrations for use in publications and promotional materials relating to the campaign "Igrejas EcoCidadãs". Also created a full color digital illustration for use in a Christmas card distributed by the organization.

Freelance commissions

2008-2009

Worked on several different projects for a few different private commissioners: a couple of wedding portraits, several spot illustrations for a wedding program, a small baby shower poster, a business logo and some web illustrations.

ROCHA Brasil

2008

Created several spot illustrations to be used in a pamphlet published as a magazine insert.

JOB Comunicação e Marketing

2008

Developed illustrations for the graphic design company, to be used as link buttons in a website made for a daycare/elementary school.
